EXTERIOR PAINTING PREP HANDS-ON WORKSHOP

Warmer weather got you thinking about that exterior painting project just waiting for you to start? Want to know how best to prep the site to ensure the project is a success? Then this class is for you! Mark Johnston from Historic Design Consulting LLC will lead class attendees during this rigorous hands-on workshop covering everything you need to know to get your painting project prepped just right. A master craftsman, Mark will share his knowledge and expertise and cover topics including site clearance, lead safety, when and where to scrape, the proper use of caulk, and how to prime. Come prepared to work and learn from a pro!

Cost for the class is \$75. Snacks and treats will be provided. Please bring your own beverage. Class size is limited so register today!

For more information, visit stearnshistorymuseum.org or contact Ann Marie at 320-253-8424 or development@stearns-museum.org.

Questionable Medical Devices: What we can learn from a museum collection?

Thursday, May 15, 6pm at
Art in Motion

Join Laurie Kleinbaum Fink, PhD, from the Science Museum of Minnesota, to learn about the collection of questionable medical devices that form the backbone of a popular exhibition, *Weighing the Evidence*. Come and learn about the collection, the exhibition that showcases the collection, and how the Science Museum of Minnesota uses objects to engage the public in STEM.

The BOHO Cafe will have soup and bread available for \$7.00. A variety of drinks (on tap and bottled) will also be available for purchase.

Art in Motion is located at 1400 4th Street in Holdingford, MN
